Henry Co. Right to Life appreciates your generous donations towards our Billboard Campaign. Billboards serve as a vital communication tool, helping those in need recognize that there is support available and reinforcing the message that every baby is a gift, not a choice. Thanks to your contributions, we aim to continue and broaden our billboard presence throughout the area, reaching even more individuals who may require assistance. If you didn’t have the opportunity to donate yet, we have self-addressed envelopes available at the back of church. If you would like to know more about our future plans, want to help or join us, pick up a newsletter also in back of church. Your support can make a difference in our mission, and we thank you once again for standing up for life with us!
