Parish Services and Business Directory Update: We are putting together a Directory of Services provided by parishioners within our congregation in the parish cluster. If you are interested in having your business or service included in this booklet, please call Doug Mangas at 419-439-0189 to provide the needed information. People are often looking for providers of needed services. This directory would provide a resource within our parish cluster congregation for various services, as well as providing an opportunity to patronize your local fellow parishioners. The deadline to submit information has been moved to July 1, 2026.
