Parish Services and Business Directory Update: We are putting together a Directory of Services provided by parishioners within our congregation in the parish cluster. If you are interested in having your business or service included in this booklet, please call Doug Mangas at 419-439-0189 to provide the needed information. People are often looking for providers of needed services. This directory would provide a resource within our parish cluster congregation for various services, as well as providing an opportunity to patronize your local fellow parishioners. The deadline to submit information has been moved to July 1, 2026.

The Diocese of Toledo is in compliance with the articles of the Charter for the Protection of Children and Young People of the United States Conference of Catholic Bishops (USCCB) – Every year, the Diocese dutifully submits the necessary documentation required by the USCCB for a Diocese to be in compliance. Every three years an on-site audit is conducted, when not only all necessary documentation is dutifully submitted, but in addition, Pastoral Center, parish and Diocesan school employees are interviewed concerning practices and protocols related to creating and maintaining a safe environment for our children and youth. The last 3-year audit was conducted in September 2024 and all audited Articles within the Charter were found to be compliant. The next on-site audit will be conducted in 2027. The Diocese of Toledo remains committed to ensuring the protection of children and providing a safe environment for all young people. If you have any knowledge of abuse that has been committed by a cleric, or any personnel of the Catholic Church, you are urged to report the abuse to your local police department, Children Services, and the Diocesan Victim Assistance Coordinator at 419-214-4880 or by mail at One Seagate, Suite #2300, Toledo, Ohio 43604.
